

## Preparing HES-SO participation in AAL Call 2017

6<sup>th</sup> February 2017

HES-SO Master  
Avenue de Provence 6  
1007 Lausanne

**Target audience:** HES-SO researchers working in the areas of health, ageing and ICT for health, who are interested in submitting proposals for funding to the [Active and Assisted Living Programme \(AAL\)](#).

### Objectives:

1. To get information about the AAL Programme and conditions for participation of Swiss partners in Call 2017: [AAL packages/Integrated solutions](#).
2. To learn from the experiences of colleagues who have participated in AAL.
3. To discuss ideas for proposals, possible collaborations, and potential partners.
4. To plan our participation in the AAL Info & Partnering event on 06 March 2017 in Brussels.
