

## Workshops and Programmes Spring 2022

Supporting your sustainability engagement all semester long!

1st March

### Fund Your Sustainability Project — About U Change

Join us to get to know U Change, the national funding programme for student projects for sustainable development. You'll get tips on what makes a successful funding proposal and get the chance to ask any questions you might have.

8th March

### How to Successfully Pitch Your Sustainability Idea

You're a student interested in sustainability? You'd like to learn more about storytelling and how to pitch an impactful project idea to stakeholders and funders? You want to know where to get support and funding to implement project ideas? Then this workshop is perfect for you!

15th March

### Project Management

You wonder how to successfully implement your sustainability project idea? Or how to plan and manage your sustainability project to make it a success? In this workshop, we seek to empower you for effective and impactful project management and equip you with readily applicable insights.

28th March

### Coaching Programme - Dialogue with Higher Education Institutions

If you are planning to implement your sustainability idea at your higher education institution (HEI) or want to help your HEI to become more sustainable, check out this programme! Our experienced students and society experts will provide coaching and support for you and your project team, so you can enter a successful dialogue with relevant stakeholders.

29th, 30th, 31st March

### Seeking for Your Ideas

We are inviting you to share your ideas: where should Focus Sustainability's journey lead? In autumn 2022, Focus Sustainability is entering its second project phase. Join us for a meeting specific to your higher education institution type to explore what goals Focus Sustainability should pursue in the future!

### Comment créer une campagne en ligne

Pendant cette formation, tu seras suivi.e par un.e expert.e en communication et marketing. Il ou elle livrera un input théorique sur les bases du travail concernant les campagnes en ligne avec l'accent sur la durabilité. Il y aura ensuite la possibilité de discuter des points présentés.

29th April

### Students for Sustainability: Creating Connections

If you are a student in Switzerland, you can't miss this! In an engaging format you get the opportunity to exchange experiences and ideas with students and higher education institution representatives across the country who are interested in sustainability. This event is part of the Sustainable University Day 2022.
