3 Prerequisites

The following module(s) must have been validated
 The following module(s) must have been attended
 none
 other

Other prerequisites

4 Skills to be gained / general learning objectives

Students will apprehend basic concepts of culture, communication, style of management and teaching. Students will deepen their understanding of how to discover a new market by critically judging the theories discussed by aid of case studies and a real business case where their act as junior consultant. They will acquire strategies to work in an international environment and use these in practical

5 Teaching and content

Intercultural competencies, nowadays, are regarded as a key qualification needed to meet the requirements of working in an international environment. Training in intercultural communication, negotiation, international networking and observation of leadership are therefore recognized as a critical element in succeeding on the global stage.

In this course, students will develop a critical understanding of culture and its effects on in an international career. A study trip of 1-2 weeks is organized to deep dive into another ecosystem, get inspired from leaders and learn how to lead with purpose and global impact.

6 Assessment and validation methods

100% presence and participation required.

60% - 2 Self-Reflective Reports - Individual

40% - Study Trip Report - Individual

For the students who have not successfully passed the first year (semester 1 + 2), the Study trip is replaced by a project in Switzerland.

In case of a remediation exam, the module head informs early enough the student about the form of the exam, which can be different than the original one.

No "advanced/accelerated repetition" possible.

7 Reassessment requirements * **7a Reassessment requirements (if module is repeated) ***

<input checked="" type="checkbox"/> reassessment possible <input type="checkbox"/> no reassessment <input type="checkbox"/> other (please specify below)	<input type="checkbox"/> reassessment possible <input checked="" type="checkbox"/> no reassessment <input type="checkbox"/> other (please specify below)
--	--

other reassessment modalities
