SPRINGER NATURE

Product Terms

COMPACT and Single Title Journal Subscriptions

WHEREAS, the Licensor, Customer and the Licensees intend to establish a legal and economic framework to allow: (a) Eligible Authors from Licensees to publish open access articles in the Open Choice journals listed in Schedule 1 (Open Choice Journals), whereby article processing charges would be considered as a part of the overall fees under these Product Terms; and (b) access to the journals listed in Schedule 3 (Content). The parties acknowledge and agree that Licensee is paying the APC Fund fees in consideration of Licensor's provision of the Publishing Services to Licensee for the benefit of Eligible Authors of the Licensees.

WHEREAS, the License Fees identified for a Licensee in Attachment 4 will be invoiced to each of the Licensees (in case of a Licensee Group to the Licensee Administrator of the respective Licensee Group), however the APC Fund applies to all Licensees together (especially provisions regarding the pooling of articles published by all Licensees);

For clarity, Customer and Licensees acknowledges and agrees all Licensees will use the same APC Fund, irrespective of their individual License Fee. Therefore any Eligible Articles from any Licensee will be deducted from the APC Fund in the order of the Allocation Date.

These Product Terms incorporate the following Schedules:

- Schedule 1 Open Choice Journals
- Schedule 2 APC Fund, APC Rates
- Schedule 3 Content
- Schedule 4 List of Licensees and Compact Fees 2020-2022

1. Term

The Term shall begin on **1st January 2020** (the "Commencement Date") and shall end on **31st December 2022**; however any rights and obligations with respect to the Publishing Services, as specified in these Product Terms, shall only commence **1 July 2020** ("Open Access Publishing Start Date").

PART A – OPEN ACCESS PUBLISHING

2. Definitions

2.1 The following terms shall have the following meanings when used within these Product Terms, and shall apply in addition to the definitions included in Section 1 of the General Terms and Conditions:

2.1.1 " **Approval Date**" means the date on which a Licensee has confirmed, pursuant to Section 3.4.2, that an author is an Affiliated Author.

2.1.2 " **Allocation Date**" means the date on which Licensor will deduct the APC from the APC Fund, pursuant to the APC Rate as per Schedule 2. The Allocation Date shall be the Approval Date.

2.1.3 " **APC Fund**" means the fund from which Eligible Authors can publish Eligible Articles, as specified in the License Fee section for the Compact Product Term of this Agreement; for clarity, the APC Fund specified herein solely relates to the overall License Fee for the Compact Product Term, not to the individually invoiced License Fees per Licensee;

2.1.4 " **Article Approval Process**" means the Licensor's standard approval portal for journals (excluding any Non-Standard Journals).

2.1.5 " **Article Processing Charge**" ("APC") means the Licensor's article processing charge for publishing an open access article in the applicable journal, as specified in Schedule 2 (APC Fund, APC Rates);

2.1.6 " **Eligible Authors**" means authors (i) who are " **Affiliated**" with a Licensee, i.e. who are students enrolled at or accredited to Licensee or who are teaching and research staff employed by or otherwise accredited to the Licensee, whereby in case of articles published by multiple authors only

SPRINGER NATURE

the corresponding author may qualify as an Affiliated Author; (ii) who have signed one of the then current open access publishing agreements used at the Licensor to publish an article under an Open Access License in one of the Licensor's Open Choice Journals the current list of which (subject to change by the Licensor) is attached in Schedule 1 ("Open Choice Journals"); and (iii) for whom a Licensee has confirmed the status as Affiliated Author pursuant to Section 3.4.2.

For the avoidance of doubt, it is the sole responsibility of the Licensee to verify if an author is an Affiliated Author. If the Licensee confirmed the affiliation of an author with respect to an article, this author shall be deemed an Affiliated Author.

2.1.7 "Eligible Articles" means articles (i) which are original and not infringe on any law and/or third party right and meet all ethical standards as required in the current guidelines of the Committee for Publication Ethics (COPE) and other policies of the Licensor, (ii) which are written by Eligible Authors, (iii) which are editorially accepted for publication in an Open Choice Journal with an acceptance date during the Term, and (iv) which are of one of the following article types:

2.1.7.1 Original Paper – Standard article, usually presenting new results; articles published under this article type may also be referred to as Original Research, Original Article, Original Paper or Research Paper.

2.1.7.2 Review Paper – Standard article, interpreting previously published results.

2.1.7.3 Brief Communication – Short article submitted for rapid publication that exhibits the same structure as a standard article.

2.1.7.4 Continuing Education – Article forming integral part of further education (usually medical).

2.1.8 "Non-Standard Journals" means the journals which are not published in the Licensor's standard publications workflow, and/or in which respect the Licensor does not control the publication workflow and/or the terms and conditions under which such journals are published. Non-Standard Journals are marked accordingly in Schedule 1 (Open Choice Journals), but Licensor may change the designation of journals from time to time during the Term, such changes will be communicated to Customer as part of the annual update to the Open Choice Journals.

2.1.9 "Open Access License" means a Creative Commons license or other open access license, used for the publishing of Eligible Articles in Open Choice Journals. The Licensor currently offers CC BY 4.0 and CC BY-NC 4.0, but these are subject to change at any time by the Licensor. Such changes will be communicated to Customer as part of the annual update to the Open Choice Journals.

2.1.10 "Publishing Services" means Licensor's services procured by Licensees or Licensee Administrator, respectively, in relation to an Eligible Article for Eligible Authors of the Licensees, related to a) pre-publishing services which may include managing and resourcing the publishing process, the provision of online tools for editors and authors, article review, copy-editing, typesetting and formatting, production and hosting, liaison with abstracting and indexing services, and customer services, as per the applicable workflows at the relevant journal which are covered by the article processing charge at the relevant journal, and identification and verification of Eligible Authors, and b) (subject to the Eligible Author agreeing to the journal publisher's licensing terms, and subject to the terms of these Product Terms), procuring the publication by the relevant publisher of the Eligible Article in the respective Open Choice Journal.

3. Open Access Publishing

3.1 Publication of Eligible Articles

3.1.1 Generally, Eligible Authors will retain copyright in the Eligible Article, however, certain exceptions apply (including, but not limited to, if requested by the author, and/or otherwise required by law or third parties (such as funding bodies))

3.1.2 With the Open Access Publishing Start Date, Licensor will start the identification process of Eligible Authors according to these Product Terms. For the avoidance of doubt: Eligible Articles may therefore include articles with a date of editorial acceptance prior to the start of the Term. Any APC (at with the APC Rate as specified in Schedule 2) for an Eligible Article shall be deducted by the Licensor from the APC Fund at the Allocation Date. Article processing charges for any article submitted to the Licensor from an Affiliated Author, which is not an Eligible Article, will not be deducted from the APC Fund and will be charged separately under the Licensor's standard process. The APC Fund of any calendar year of the Term expires at the end of the calendar year of the Term. For clarity, upon expiry of the Term, any remaining APC Fund will not be refunded. Customer and Licensees acknowledges and agrees all Licensees will

SPRINGER NATURE

use the same APC Fund, irrespective of their individual License Fee. Therefore any Eligible Articles from any Licensee will be deducted from the APC Fund in the order of the Allocation Date.

- 3.1.3 The Licensor will report to Customer on a quarterly basis how many Eligible Articles have been confirmed by Licensee pursuant to Section 3.4.2.

The reports shall include the following details:

- Name of journal
 - Article title
 - DOI of article
 - article type (as set forth in the definition of Eligible Article)
 - Name of eligible corresponding author
 - Email of eligible corresponding author
 - Affiliation(s) of corresponding author
 - Licensee as determined in author identification process described in Section 3.3.1
 - online publication date
 - acceptance date (when available)
 - Open Access License Information (license type)
 - APC Rate applicable to article
 - Approval by
- 3.1.4 The number of Eligible Articles as set forth in the quarterly reports as per Section 3.1.2 will be determined by the Allocation Date.
- 3.1.5 The Licensor shall endeavor to notify the Customer 4 weeks before the APC Fund runs out (i.e. if in the year 2020, the Article Base is reached, and if in the years 2021 and/or 2022 the Article Max is reached), the date on which such notice is sent, being the "Top Up Notice Date".
- 3.1.6 When the APC Fund is not sufficient to cover any more Article Processing Charges, the Licensor will notify the Customer and either:
- 3.1.6.1 Customer may, within 14 calendar days after the "Top Up Notice Date", elect to pay an additional APC Fund to be agreed in writing between Customer and Licensor, including a fee split per Licensee ("Top Up APC Fund"). Any remaining portion of the APC Fund can be used as a partial payment for the APC; or
- 3.1.6.2 where Customer has not notified the Licensor according to Section 3.1.6.1, when the number of Eligible Articles has reached the Article Max (for clarity, for the year 2020 the Article Base), the Licensor will stop accepting Eligible Articles for open access publication pursuant to these Product Terms, and if an Eligible Author approaches the Licensor with the desire to publish an article and pay the list price article processing charge by himself/herself or by a third party, the Licensor reserves the right to publish such article; or
- 3.1.6.3 If Sections 3.1.6.1 or 3.1.6.2 do not apply, the Eligible Article may be published on a subscription basis.

For clarity, if the Customer elects to pay a Top Up APC Fund as per Section 3.1.6.1: (i) the principle that all Licensees will use the same APC Fund, irrespective of their individual License Fee, also applies to any Top Up APC Fund as per Section 3.1.6.1, therefore, any Eligible Articles from any Licensee will be deducted from the Top Up APC Fund in the order of the Allocation Date, (ii) the APC Rates as defined in Schedule 2 apply, and (iii) Licensor will invoice the Licensee's the Top Up APC Fund.

- 3.1.7 In case a Licensee is in default with payment of the APC Fund (or, if applicable, the Top Up APC Fund) according to these Product Terms and the License Agreement, Licensor may, with respect to any articles not yet published: stop the author identification process, and may stop to submit to Licensee any articles of Affiliated Authors for approval according to Section 3.4 or publish any Eligible Article under these Product Terms. Licensor however shall be free to offer Affiliated Authors affected by such default to enter into a separate agreement with Licensor regarding publishing services and pay any applicable list price article processing charge himself/herself.
- 3.1.8 The Licensor undertakes to use reasonable efforts to use ORCID (<http://orcid.org/>) throughout the workflow from submission to publication and include Eligible Authors' ORCID ID in Eligible Articles

SPRINGER NATURE

It is the Eligible Author's responsibility to provide all necessary details in respect of its ORCID ID to the Licensor. This Section does not apply to Non-Standard Journals.

3.2 Editorial Independence

3.2.1 Nothing herein contained shall oblige the Licensor or any third party to accept or publish any article submitted to the Licensor by an Eligible Author. Customer and the Licensees acknowledge that the selection of material to be accepted and published by the Licensor or a third party in control of the publishing process is entirely at the discretion of the Licensor or said third party. Customer and the Licensees waive any claim they may have against the Licensor or said third party in the event that the Licensor or said third party refuses or declines to publish any material (or part thereof) submitted by an Eligible Author (i.e. an article which is not an Eligible Article).

3.3 Author Identification

3.3.1 Process for identification of Affiliated Authors:

3.3.1.1 It is the Licensee's responsibility to provide the parameters for identification of Affiliated Authors and shall update the Licensor of any changes in those parameters as soon as reasonably practicable.

3.3.1.2 With respect to publication in any Open Choice Journal (which is not a Non-Standard Journal), Affiliated Authors shall identify themselves by providing one of the following parameters: by selecting either their institution name or using their e-mail domain or by IP address recognition within the identification process.

3.3.1.3 Each Non-Standard Journal may have a different process for identification of Affiliated Authors.

3.4 Author Verification

3.4.1 The Licensor shall notify the Licensee by email each time an author is identified as an Affiliated Author.

3.4.2 The Licensee shall confirm or deny if the author is Affiliated with the respective Licensee pursuant to the definition of "Affiliated" in Section 2.1.6 and by its confirmation, order the Publishing Services for the respective Eligible Article in question within 3 business days following the notification. In case the Licensor does not receive either a confirmation or a denial within 3 business days after the Licensor has notified the Licensee, Licensor will send a reminder with a 4 days grace period ("Grace Period") and inform Licensee in its reminder that Licensor will deem the author to be Affiliated and continue the publishing process, if the set grace period expires without any declaration by Licensee. The Licensee may request a reasonable extension of the Grace Period, but not more than 5 business days, in case the Licensee cannot verify that the author is an Affiliated Author for material reasons.

3.4.3 From time to time, the Licensor shall be entitled to revise the identification and verification process described above in order to improve the process for Eligible Authors. The Licensor shall notify the Customer in writing of any such changes to the process. Licensor will review and consider the latest developments with respect to this process, including but not limited to the ESAC Recommendations for article workflows and services for offsetting/open access transformation agreements available at <https://insights.uksg.org/articles/10.1629/uksg.391/>. Licensor will take into account but will not be bound by Customer's and Licensee's suggestions for process improvements. For the avoidance of doubt, Licensor may determine any changes in the identification and verification process in its sole discretion. The Licensor shall notify Customer and Licensee in writing of any such changes to the process.

SPRINGER NATURE

PART B – ACCESS TO CONTENT

4. Access to Content

4.1 Access Rights

- 4.1.1 Continuing Access Journals: During the Term, Licensee shall have access to the Continuing Access Journals listed in Schedule 3 (Content) first published during the Term. After the Term, Licensee shall have Continuing Access to the Continuing Access Journals first published during the Term, subject to all the terms and conditions of this License Agreement. The list of Continuing Access Journals will be updated by Licensor on an annual basis and added to this License Agreement by an addendum.
- 4.1.2 Backfile Access During the Term: In addition, during the Term only, Licensee will be granted access to the Content of titles listed in Schedule 3 (Content) published beginning 1997 (or, if later, first date of publication).

4.2 Cessation of Publication / Transfer / Take-Over/ DDP

- 4.2.1 If 3% or more of the number of the Continuing Access Journals cease to be published by Licensor during the Term, upon Customer's written request, Licensor will, in mutual agreement with Customer, offer to Licensee (1) access to additional Content not presently licensed to Licensee, with an approximate value equal to or greater than the value of the discontinued Continuing Access Journal, or (2) a credit toward any future acquisition of a Product in the amount of the value of the discontinued Continuing Access Journal. The value of any discontinued Continuing Access Journal will be determined by Licensor in good faith, and in mutual agreement with Customer, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, list price, or any other formula including any or all such factors.
- 4.2.2 If Licensor's publishing rights to a Continuing Access Journal are transferred to another publisher, Licensor will use commercially reasonable efforts to provide Licensee with access to the Content of the Continuing Access Journal licensed under these Product Terms either (a) online on the Platform, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Continuing Access Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions. If Licensor is unable to do any of the foregoing, Section 4.2.1 above shall govern.
- 4.2.3 If Licensor acquires one or more journals from a third-party publisher during the Term (the "Take-Over Journals"), the Take-Over Journals will be added, on an annual basis, to the Continuing Access Journals, to the extent Licensor's acquired rights in the Take-Over Journals permit. Major new title list acquisitions (i.e. acquisitions of other publishers or imprints) during the Term are not included in the license grant under these Product Terms.
- 4.2.4 If Licensee orders the print versions of its Continuing Access Journals from Licensor (whether directly or through an intermediary) in addition to the electronic access provided under this License Agreement, then Licensee is entitled to a discount of 75% off the list price of the print version, excluding postage and handling fee ("Deep Discounted Print" or "DDP"). Licensee's (or Licensee's intermediary's) order must state that Licensee is ordering the print versions of the Continuing Access Journals under the DDP to obtain such discount. This Section only applies to the Continuing Access Journals, as set forth in Schedule 3 (Content).

SCHEDULE 2 – APC Fund, APC RATES

1. APC Fund, APC Rates, Article Base, Article Max, and Publication Corridor

	2020 1.7.-31.12.2020	2021 1.1.-31.12.2021	2022 1.1.-31.12.2022
Compact Fee Part A Publishing Fee ("APC Fund")	1.635.300 €	3.359.630 €	3.457.332 €
Agreed APC Rate ("APC" or "APC Rate")	2.370 €	2.417 €	2.466 €
Number of Eligible Articles ("Article Base")	690	1.390	1.402
Number of Eligible Articles (top of corridor) ("Article Max")	not applicable	1.418	1.430

- 1.1 The parties agree to the APC Fund as per the table above. The APC Fund is based on a mutually agreed APC Rate ("Agreed APC Rate") and the Article Base, which represents the expected article output of all Licensees during a respective calendar year of the Term (except for the year 2020, where only the timeframe 1.7.-31.12.2020 is considered), based on previous year's output.
- 1.2 The parties further agree to a publication corridor for the calendar years 2021 and 2022. If the number of published Eligible Articles exceeds the Article Base, Licensees may publish, for each calendar year of the Term, additional Eligible Articles at no extra cost up to the top of the corridor, i.e. the number indicated as Article Max in the table above. After the Article Max is reached, Section 3.1.6 applies accordingly.
- 1.3 The APC Fund (for the avoidance of doubt, including any Top Up APC Fund) of each calendar year expires at the end of each calendar year of the Term.

2. Grant and Scope of License

2.1 Subject to Licensee's compliance with the License Agreement, and except as otherwise stated herein, Licensor hereby grants Licensee a non-exclusive, revocable and non-transferrable license to:

2.1.1 permit Authorized Users to access the Content for the duration and in the manner set forth in the License Agreement;

2.1.2 incorporate links on Licensee's intranet and internet websites (for clarity, Licensee shall ensure that in both cases Content is solely accessible to Authorized Users) to the Content in full text format on the Platforms;

2.1.3 transmit to a non-commercial library single articles, book chapters or portions thereof only for personal educational, scientific, or research purposes ("Interlibrary Loans"). Such transmission shall be reviewed and fulfilled by Licensee's staff, and shall be made by hand, post, fax or through any secure document transmission software, so long as, in the case of any electronic transmission, the electronic file retains the relevant copyright notice. The right set out in this clause does not extend to centralized ordering facilities, such as document delivery systems, nor the distribution of copies in such quantities as to substitute for a subscription or purchase of the distributed Content.

2.2 Authorized Users may solely for their personal educational, scientific, or research purposes:

SPRINGER NATURE

2.2.1 access (including by remote access, with the exception of walk-in-users), browse, view, collate, display, search and retrieve the Content,

2.2.2 download, store on a hard drive or removable media drive, print and copy in paper and digital form single articles, eBooks and portions thereof, individual database outputs, graphs, reports, or other individual items of the Content,

2.2.3 use single articles, eBooks and portions thereof, individual database outputs, graphs, reports or other individual items of the Content for the preparation of academic course materials with all rights notices duly presented.

2.2.4 use the Springer Nature ShareIt functionality when available, or other means when necessary, to transmit single articles, chapters or other individual items of Content to third-party members of the Authorized Users' research group(s) for personal, scholarly, educational, or research use, but in no case for commercial purposes, nor in any manner that would serve as a replacement for a subscription to the Content.

3. Prohibited Uses

3.1 Neither Licensee nor Authorized Users shall:

3.1.1 remove, obscure or alter any copyright or other notices, trademarks, logos, service marks or any other proprietary rights appearing in or on the Content,

3.1.2 except as permitted by applicable law or this License Agreement, update, change, revise, adapt, modify, translate, transform or create any derivative work of the Content,

3.1.3 except as permitted by Section 2 or by applicable law or this License Agreement, re-distribute, reproduce, or transmit the Content by any means including electronic (e. g., via e-mail, FTP) nor post it on personal or public websites or on public networks,

3.1.4 systematically download any Content to its own or any third-party server, use routines designed to continuously and automatically search and index the Content (full text and meta data), such as web-crawling or spider programs or engage in any activity likely to burden the Platforms, except as expressly allowed in the License Agreement, directly or indirectly use or assist any third party to use the Content for any commercial or monetary purposes including without limitation any sale, resale, loan, transfer or upload of the Content to a commercial entity's internet website, or otherwise charge a fee for access; or

3.1.5 otherwise use the Content in a manner that would infringe the copyright or other proprietary rights contained therein.

4. Rights and Obligations of Licensor

4.1 Licensor may control access to the Content through Internet Protocol ("IP") authentication or another identification method reasonably determined by Licensor.

4.2 Licensor reserves the right to monitor, investigate and analyze all available data including logfiles to detect misuse of the Content.

4.3 Where feasible, Licensor shall collect data on usage of the Content and process these according to the COUNTER Code of Practice and according to applicable privacy and data protection laws (the "Usage Data"). The Usage Data will be made available for download by Licensee and Customer through a secure website, provided that these statistics are strictly for the Licensee's own use (except in cases where Licensee is legally required to disclose such information to a third party) and Licensor shall not be required to disclose any information to the Licensee which it is prohibited from disclosing to the Licensee due to any legal or regulatory constraint imposed upon it, including without limitation any applicable privacy or data protection legislation or regulations or contractual obligations. Licensee hereby agrees that Licensor may make the Usage Data available to Customer as described above.

4.4 Licensor shall use commercially reasonable efforts to provide online access to the Content through the Platforms, subject to periodic unavailability due to (a) unexpected technical issues outside of Licensor's control, or (b) server and software maintenance ("Unavailability"); and to restore access to the Content as promptly as possible in the event of Unavailability, but in all cases no later than two (2) business days from notification (the "Grace Period"). If the Unavailability continues beyond the Grace Period, Licensee shall be entitled to a pro-rata credit of any License Fees (for clarity, with respect to the Product Terms Compact and Single Title Journal Subscriptions, only the Reading Fee shall be considered) paid in advance for the affected Product. Licensor will credit Licensee with an amount calculated as follows:

[Annual License Fee for affected Product (for clarity, with respect to the Product Terms Compact and Single Title Journal Subscriptions, only the Reading Fee shall be considered)] x [Number of full days of Unavailability divided by 365]

All of Licensor's obligations and Licensee's rights under this Section 4.4 are subject to (i) Licensee's full compliance with this License Agreement and Licensor's reasonable instructions regarding access to the Content, (ii) Licensor's receipt of prompt notification of a loss of access or interruption, specifying the circumstances in reasonable detail, including affected Licensee and Product. Further, Licensor shall have no obligation under this Section 4.4 for any Unavailability caused in whole or in part by a Licensee or its Authorized Users, or by events described in Paragraph 10.2. In the event that Licensor ceases to provide access to Continuing Access and/or Archive Content as a standard offering through the Platforms, Licensor may provide such Content to Licensee on physical media, or through other means, which may include, without limitation, access through the digital preservation services referred to in Section 4.5 below, to the extent Licensor's rights to the Content permit. Licensor cooperates with a number of digital preservation services (e.g. CLOCKSS, and Portico) for

SPRINGER NATURE

the preservation of certain online products of Licensor. In the case of a triggering event set forth in Licensor's agreements with the digital preservation services, Licensee may be entitled to access the Content pursuant to such agreements. It is in Licensor's sole discretion to enter into or to continue such agreements.

4.5 Licensor reserves the right to discontinue publication or distribution of any part of the Content and to withdraw, edit, amend or retract any part of the Content to which it no longer retains the right to publish or which it reasonably believes is incorrect or may give rise to a legal claim.

4.6 Licensor and its suppliers retain all right, title, and interest in and to the Content, except as expressly set forth in this License Agreement. Nothing in this License Agreement shall grant Licensee any trademarks, patent rights, copyrights, and rights to any ideas and designs relating to the Content, the Platforms, and all software used to access the same.

4.7 Licensor implemented an internal framework to evaluate and document data processing systems and processes including appropriate technical and organizational measures to be compliant with Art. 32 GDPR, and provides the security level appropriate for the risk level of the data processed under this License Agreement. Licensor ensures that the technical and organizational measures are state of the art. The measures will be audited and updated in regular intervals to keep them appropriate. On request Licensor will provide documentation about the measures currently implemented.

5. Rights and Obligations of Licensee

5.1 Licensee shall at all times reasonable measures to (a) restrict access and use of the Content to Authorized Users as permitted under this License Agreement, (b) maintain the security and integrity of the Content accessible on or through Licensee's network, and (c) ensure that all Authorized Users are notified of and comply with the usage restrictions set forth in this License Agreement. Licensee shall terminate access for any individual who ceases to be an Authorized User for any reason. In the event that Licensor's performance of its obligations under this License Agreement requires that Licensor receive or otherwise process any personal data of Authorized Users, then Licensee shall obtain, if applicable, all necessary approvals and consent from Authorized Users for transfers of personal data to Licensor.

5.2 Licensee shall promptly inform Licensor of any breaches in security in Licensee's network or its accounts which may result in unauthorized access to the Content.

5.3 If Licensee becomes aware of any unauthorized use of the Content by an Authorized User or third party, Licensee shall immediately inform Licensor and shall take appropriate steps to ensure that such activity ceases and to prevent its recurrence, including, but not

limited to, terminating access of any Authorized User accessing or using the Content in violation of this License Agreement.

5.4 Licensee will not be liable for unauthorized use of the Content by any Authorized User provided that (i) the unauthorized use did not result from the Licensee's own negligence or willful misconduct, (ii) Licensee fulfils its obligations under Section 5 and (iii) Licensee did not cause and/or permit, knowingly assist or condone the continuation of such unauthorized use after becoming aware of an actual breach having occurred.

6. License Fees

6.1 Customer shall pay the fees set forth in the License Agreement (the "License Fees"). Delayed payments shall be subject to interest charges at the interest rate of 9 % above the set European Central Bank Interest Rate for Main Refinancing Operations. The Customer has the right to prove that the actual damage incurred by its default is less than as set forth in the second sentence of this Section 6.1, and will then only be obliged to pay the actual damage.

6.2 All amounts payable by Customer shall be exclusive of any sales, use, withholding, value added or similar taxes, government fees or levies or other assessments. Collection and/or remittance of such taxes to the relevant tax authority shall be the responsibility of the party who has the legal obligation to do so.

If, based on applicable law, any sales, value added or other similar taxes are or become chargeable, Customer will reimburse Licensor by means of paying an amount equal to the amount of such taxes in addition to and at the same time as paying the principal amounts. Licensor shall provide to Customer an appropriate invoice as required by law. If, based on applicable law, any withholding or similar taxes are or become chargeable, Customer is not entitled to deduct these taxes from the principal amounts. Customer shall remit these to the competent tax authority and shall provide Licensor with appropriate evidence of the remittance.

6.3 The License Fee, or any portion thereof, may be invoiced by a Licensor Affiliate, or by an agent designated by Licensor. Payment will be deemed made when received: (i) by Licensor, (ii) a Licensor Affiliate, (iii) an agent designated by Licensor, or, (iv) with Licensor's prior written consent, an agent designated by Licensee.

7. Term and Termination

7.1 Either Licensor or Customer may terminate the License Agreement immediately upon notice to the other party if the other party (including, with respect to Customer, an individual Licensee) materially breaches this License Agreement and fails to cure such breach within thirty (30) days after notice from the non-breaching party specifying the breach in reasonable detail.

SPRINGER NATURE

7.2 Either Licensor or Customer may terminate the License Agreement immediately upon notice to the other party (including, with respect to Customer, an individual Licensee) if (a) a petition in bankruptcy or for a reorganization or arrangement pursuant to the bankruptcy laws is filed by the other party, or (b) a petition in bankruptcy or for reorganization or arrangement pursuant to the bankruptcy laws is filed against the other party and such petition is not dismissed within 90 days, or (c) an order is entered directing the liquidation of the other party, or (d) the other party becomes insolvent, or (e) the other party assigns all or substantially all its assets for the benefit of creditors, or (f) the other party shall apply for, or consent to, the appointment of a receiver, trustee or liquidator for all, or a substantial part, of its assets, or (g) the other party ceases paying its debts on a regular basis, unless prohibited by applicable law.

7.3 In the event Customer fails to pay the License Fee for one or more Product Terms, and fails to cure such non-payment within 30 calendar days following notice from Licensor, Licensor may, in its sole discretion, either (a) immediately and without further notice suspend access to the Content licensed or services provided under such Product Terms or (b) terminate the License Agreement pursuant to Section 7.1, either in its entirety, or solely with respect to such Product Terms.

7.4 Licensor may suspend the provision of the Content to a Licensee with immediate effect on notice if Licensor has reasonable grounds to believe that Content is being used in a manner contrary to the terms of this License Agreement, without prejudice to any other rights Licensor may have at law or in equity.

7.5 In the event of termination or expiration of the License Agreement for any reason (a) the license grant shall terminate with regard to the Content, (b) Licensee shall discontinue accessing the Content via the Platforms, (c) Licensee shall delete or destroy all copies of the Content on electronic and physical storage mediums in its possession or control, and (d) use reasonable efforts to ensure that its Authorized Users delete or destroy Content on their personal electronic devices and physical storage mediums. For clarity, however, the foregoing sentence of this Section 7.5 do not apply upon expiration of the Term of a Product with Continuing Access specified in the applicable Product Terms. All indemnification, confidentiality, and payment obligations in the License

Agreement up to the termination date shall survive such termination or expiration.

7.6 Any termination right under this Section 7 may be exercised by or against Customer, or an individual Licensee, provided that in the case of termination by Licensor with respect to an individual Licensee, or termination by an individual Licensee with respect to Licensor, this License Agreement shall remain in effect with respect to all other Licensees.

LICENSOR EXPRESSLY DISCLAIMS ANY LIABILITY FOR ANY CLAIM ARISING FROM OR OUT OF THE CONTENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF DATA, BUSINESS INTERRUPTION OR LOSS OF PROFITS, ARISING OUT

OF OR IN CONNECTION WITH THIS LICENSE AGREEMENT, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Failure or delay of either party to enforce any of its rights under this License Agreement is not deemed a modification or a waiver by such party of any of its rights hereunder.

In the event this License Agreement is translated into a language other than English, the English-language version of this License Agreement shall prevail in the event of any conflict between the English-language version and the translated version.
