IT Intern - Frontend /Portal Migration

Location: Geneva

Duration: 4 to 6 months
Start date: Q1/Q2 2026

We are looking for a curious and motivated **IT Intern** to join our team and support the migration of our internal portal to Angular. This is a hands-on opportunity to work on a real, business-critical application, gain experience with modern frontend technologies, and contribute to the design and implementation of associated workflows.

Key responsibilities

- Support the migration of our internal portal to Angular;

- Help design and implement workflows linked to the portal;

- Contribute ideas to improve usability, performance, and maintainability;

- Support our IT team with related tasks as needed.

Qualifications & Skills

- Currently studying Computer Science, Information Systems, or a related field.

- Knowledge of JavaScript and web development concepts.

- First exposure to Angular (academic, personal or coursework projects)

- Knowledge of SQL and C#.

- Ability to work collaboratively in a team environment.

Why Banque Heritage

Banque Heritage offers a rare opportunity to join a Swiss private bank with a strong family office heritage and a modern, entrepreneurial culture.

Recognised as a **Great Place to Work®**, we provide an environment where performance, growth and personal development are fully aligned.
