

The Global Voices Internship Experience

Account Management

The Internship Experience

The Global Voices Experience caters for talent at all levels, from those still at university and working towards a degree level qualification, to those who have finished their degrees and are looking to begin their careers. If you're still studying and would like to gain 4 weeks to 12 months of experience working in a company, you may want to consider the Global Voices Internship Programme.

Global Voices is a commercial success story, bringing some of the best-known brands, technology and language experts together to enable multilingual communication.

The demand for high quality translation of content for different languages, regions and cultures continues to increase and as such, Global Voices continues to expand its services and geographical areas.

Our core services: Subtitling, Dubbing, Voice-Over, Translation and Interpretation.

Our mission: Connect people, remove barriers, enhance value and create opportunities.

Our vision: To be recognised as a brand leader for innovation and people excellence by enabling the world to communicate.

Tasks you'll be undertaking:

- Prospective client outreach/outbound lead generation
- Support the sales teams with pricing, proposals, and client communications
- Conduct market research and help identify new business opportunities

Requirements:

- A student or recent graduate (Business, Marketing, Languages, or similar field)
- Knowledge of English - written and spoken to B1 level
- Native - Italian/French/German
- Confident, professional, and eager to learn
- Organised, detail-oriented, and proactive in your approach

Important Information

- You will be based at our beautiful location of Stirling, Scotland - this is not a remote internship
- This is a full-time internship - Monday - Friday (40 hours per week)
- Your internship will last from 4 weeks (minimum) to 6 months
- All equipment required for your internship will be provided
- Following your internship completion you will be issued a certificate and letter of recommendation
- Once we receive your CV, you will have a reply within 3 days
