

Who we are:

Hydromea is always on the lookout for new talents!

Portable underwater robotics is on the cusp of an ocean exploration revolution.

Hydromea leads the way with its disruptive technologies that already been deployed at over 4'000m depth in the Pacific, under ice in Russia and in a number of subsea construction jobs in the North Sea.

Are you passionate about exploring the ocean? Touched about saving lives? Excited to be part of the team that brings the world's first wireless underwater drone into the world?

Join us in breaking boundaries in autonomous robotics and wireless communication in the subsea world.

Job Description:

You will have the opportunity to work with all aspects of digital strategy and communications – including audience development, content strategy, email marketing and landing pages.

In this position you will help shape Hydromea's communication and marketing activities.

Key Responsibilities:

- Create content for online diffusion and assist in managing social media channels (Twitter, YouTube, Instagram)
- Develop Digital Strategy initiatives and innovative marketing practices
- Build visibility across our social media platforms
- Follow-up and improvement of SEO

Benefits:

The freedom to implement, tackle and shape your own ideas

Flat hierarchies in a motivated, dynamic, and ambitious team

Career boost – Opportunity to gain skills, knowledge & experience

We're looking for a student:

Passionate about digital marketing and communication

Proactive and dynamic personality

Embracing new challenges with great attitude

Fluent in English
