

Graphical Designer for Packaging

Be a part of a revolutionary change

Times are changing at PMI. We've chosen to do something big. The world expects us to act responsibly. And we are doing just that by transforming our business and building our future on one clear purpose – to deliver a smoke-free future.

This transformation will revolutionise every area of our business. The products we sell. Where we sell them. How they're manufactured and delivered. The way we talk to our customers and engage with society.

It's the perfect setting place to start your career. As you take your first steps, you'll have the backing of a multinational business combined with the freedom of a start-up. You'll bring a positive mindset and fresh perspective to projects that can make a huge difference to so many.

About the team

We belong to the Manufacturing Development Center (MDC) of PMI which is a unique place to materialize your ideas into reality. Our goal is to prototype new products, packaging, and devices by using various technologies and materials.

Who we're looking for

- Student currently pursuing technical studies in 'graphical/product design' or related discipline
- Passionate about design and innovation and ready to extend knowledge in the field of packaging
- Excellent team player who can also work independently
- Strong technical and creative skills, able to learn and propose new things
- Familiar with some of the professional Windows software such as In Design, Photoshop, Illustrator, Acrobat, Adobe, Power Point
- Able to communicate clearly in English, both written and spoken
- 3D rendering is an asset

Roles & Objectives

- Supports creation of high-quality communication products including presentations, brochures, social media posts, photos, and videos
- Participate in creation of innovative packaging solutions
- Perform 3D rendering
- Provide visually appealing layout/mock-up for our internal clients
- Contribute to creative multimedia content creation for unique corporate event

What we offer

Our success depends on our talented employees who come to work here every single day with a sense of purpose and an appetite for progress. Join PMI and you too can:

- Seize the freedom to shape your future and ours. We'll empower you to take risks, experiment and explore.
- Be part of an inclusive, diverse culture, where everyone's contribution is respected; collaborate with some of the world's best people and feel like you belong.
- Pursue your ambitions and develop your skills with a global business –our staggering size and scale provides endless opportunities to progress.
- Take pride in delivering our promise to society: to deliver a smoke-free future.

PMI is an Equal Opportunity Employer.
